

SBJ Educational Consulting

Mission: Support all families with honesty and integrity as together we work toward admission to the school(s) best suited for each student.

Qualifications:

- Founding head of New York International School and the International Academy; New York, NY
 - Sixteen years as head of The Bement School; Deerfield, MA
 - Twenty-two years of secondary school placement, predominantly in the Northeast but throughout the U.S. and beyond
- Extensive network and personal relationship with a wide range of admission officers and heads of schools
- Former board member, Association of Independent Schools in New England (AISNE)
- B.A. Wheaton College (MA); M.A. Ohio State University; C.A.S. University of Maine; Klingenstein Fellow, Teachers College Columbia University
- Most importantly, I LOVE helping families with this often daunting and scary process!

Services Offered:

- Choosing the right schools and developing an appropriate list for applications
 - Application support for student
 - Editorial support for the parent statement
 - Preparation for school visits and interviews
 - School visits
 - Waitlist counsel
 - Choosing the best fit among acceptances
 - Reading and writing tutorials

Fees for the above will be billed per service or as one fee for the admission process and dependent upon the number of schools applied to.
